

Minutes of Harberton Parish Council meeting held on Tuesday 12 September 2006 at Harbertonford Primary School at 7.30pm

Present: Cllrs Fearn, Knight, Jeffreys, Williams, Janes, Steer, Johnson, Beamish and Hockings.

Public: 2

Clerk: Mrs D Crann

The Chairman opened the meeting and welcomed everyone, especially Cllr Hockings. He then invited the members of the public to speak. They had come to speak about a plan before the Council (23/1490/06/F) at Wyses Englebourne, a barn to be converted to a dwelling. There was a full explanation by the applicants, stressing the historic value of this barn and its rarity value.

The minutes of the previous meeting were then considered, agreed and signed by the Chairman as a true record.

Matters Arising:

- 1) In Harbertonford, reports of vandalism by local youths have been a constant problem during the summer, particularly at the primary school. Several cars had also been badly scratched and bodywork damaged. Response by the Police had been lukewarm. Increasingly, local residents are afraid to go out after dark.
- 2) Poor visibility at Fork Cross, Harberton. Ongoing.
- 3) P3 Footpath Scheme. £1,630.00 funds still held in Parish Council savings account.
- 4) Re Parsons Brinckerhoff, Exeter. Paint cards had now been received for graffiti-proof paint for the inside of the bus shelter in Harbertonford. Cllrs considered these and a mid-blue was chosen and agreed by all.
- 5) Casual vacancies. There are still vacancies for three councillors. Volunteers are sought for these posts. There are 11 meetings a year at 7.30pm on the second Tuesday of each month, except August. This is a worthwhile position acting for the local community. Those interested should contact a Parish Councillor or the Parish Clerk, Mrs D Crann on 0803 732210.
- 6) The lease for Harbertonford Playground was renewed on 22/08/06 for another year.
- 7) The Clerk will contact James Miller for a quote to remove silt at the Ford in Harberton.

District Council Matters:

As our District Councillor, Cllr Steer reported that at the mid-term resource strategy meeting, it was reported that the take-up on concessionary bus fares had been far greater than expected. £60,000 had been reserved, but it looked possible that £100,000 would be needed.

There is also a likely shortfall in recycling of £50,000 so a greater effort would be needed.

There were to be new days for refuse and recycling collections, starting 25/09/06 in Harberton and Harbertonford it will be Fridays.

TOR Homes were trialling a new system, Choice Base Letting, and were joining the bid for funding for this scheme. In effect, the old points system is to be phased out and a new system put in its place.

Matters at the discretion of the Chairman:

6) Cllr Fearn said that there was still a problem with a possible water leak on the road between Coppithorne to Blakemore Level in Harberton. The Clerk will contact the Lengthsman and Highways.
