PUBLIC MEETING

7pm Weds 11th April

Harberton Parish Hall

A Devon Air Ambulance Trust Community Helipad for Harberton?

The Devon Air Ambulance Trust is working with communities to develop a network of night landing sites which will enable the charity to bring a life-saving service into the heart of communities when it is dark.

Harberton Parish Council has been working with the Trust to identify suitable sites in the Parish. It has supported the creation of a landing site in Harbertonford and is keen to see if there is community interest in the provision of a landing site in Harberton.

A public meeting has been arranged to raise awareness of the scheme and to gather public opinion.

Parish Councillors and representatives of the Devon Air Ambulance Trust will be able to talk to local residents about what's involved, how the landing site would be used and answer any questions that might arise.

Please contact the clerk, Cat Radford, if you have any questions clerk@harbertonparishcouncil.org
